

Wildlife Habitat and Damage Management Education EVALUATION FORM

Your help is needed in providing vital feedback on the program you have just completed. Please take a moment to complete this survey.

Level of Understanding

For each of the topics listed below, in the LEFT column, circle the ONE number that best reflects your Level of Understanding before the *program*. Then, in the RIGHT column, circle the ONE number that best reflects your Level of Understanding after the *program*.

Poor=1, Average =2, Good=3, Excellent=4

Level of Understanding	<u>BEFORE</u> the Program	<u>AFTER</u> the Program
What is wildlife damage management (WDM)	1 2 3 4	1 2 3 4
How to identify wildlife damage	1 2 3 4	1 2 3 4
Different management methods for WDM	1 2 3 4	1 2 3 4
Regulations associated with WDM	1 2 3 4	1 2 3 4
Different wildlife habitat improvement methods	1 2 3 4	1 2 3 4
How to implement a wildlife food plot	1 2 3 4	1 2 3 4
Methods to monitor wildlife populations	1 2 3 4	1 2 3 4
Methods to manage wildlife populations	1 2 3 4	1 2 3 4
Benefits of habitat management for wildlife	1 2 3 4	1 2 3 4

Intentions. For the following behaviors, check the box that describes what you plan to do as a result of the *program*.

Behavior Change	Yes	No
I plan to implement a form of wildlife habitat management on my property on _____ acres. What type of management(s) will be implemented _____		
I plan to implement one or several WDM practice(s) to protect my property, row crops, landscaping, or backyard gardens. List _____		
I plan to monitor wildlife populations on my property.		
I plan to encourage neighbors and others to make pollinator, grassland, or early successional habitat a priority on their properties.		
I plan to learn more about different practices that protect and/or conserve wildlife habitat and natural resources.		
I believe all native wildlife species have a value and purpose within the ecosystem		

What is the most significant thing(s) you learned or will apply as a result of attending this program?

Please list additional comments below. All comments are welcome and important to us making this program better.
